Dear Clarkstown Resident,

Thank you for your interest in our Foundation. Our mission is to establish, support and enhance educational innovation and opportunity for students and teachers of Clarkstown. We have focused on three intertwined initiatives:

Purchasing technology, such as SMARTBoards, for our classrooms that are not funded through the school budget

Providing grants to teachers for classroom enhancements or professional development

Awarding scholarships to our graduating seniors to help defray the cost of a college education

As a parent of two children at Strawtown Elementary School and the husband of a teacher at Link Elementary School, I can relate to the budgetary constraints our schools are facing. Given the current economic environment, these issues will not be going away anytime soon. That is why it is so important to be involved with organizations like the Clarkstown Education Foundation.

Thank you in advance for your support. We look forward to seeing you at Family Fun Night.

Sincerely,

Mike Agliodoro

President, Board of Trustees
Clarkstown Education Foundation
